(ITALY)**

and produced in the factory

**PLUVITEC S.p.A. – Via Quadrelli 67/A – 37055 Ronco all'Adige Verona  
(ITALY)**

is submitted by the manufacturer to a factory production control *and to the further testing of samples taken at the factory in accordance with a prescribed test plan* and that the notified body *INTRON CERTIFICATIE B.V.*- has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard

### EN 13707:2004

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 31.08.2006 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
